

## Art Adventure Club Merit Badge Hive Page

To achieve Art Adventure Club Merit Badges, you must complete a hive page for each badge. The outer ring of hexagons serve to document your achievements leading up to completion of all of the requirements for the entire badge. That image will be placed in the center of the hive upon badge completion. Hive pages are designed to be your ephemeral record of your achievements either kept in the full sheet set up, or you may cut it out & fold it into a hexagon petal mini-book.
